

## **CFCM MINISTRY UPDATES: EXTENDING A HELPING HAND IN TIMES OF NEED**

### **Greetings, Beloved CFCM Family,**

We are delighted to announce that CFCM Ministry has successfully distributed school supplies to over 20 students in our community. This initiative, which included notebooks, pens, pencils, and other essential educational materials, was aimed at equipping our young learners with the necessary tools for their academic journey. By providing these supplies, we hope to alleviate some of the financial burdens on families and ensure that every child has the opportunity to excel in their studies. The joy and gratitude expressed by the students and their families were heartwarming, and it reinforces our commitment to supporting education and fostering a brighter future for our youth.

The positive impact of this initiative extends beyond the immediate provision of supplies. It serves as a reminder of the power of community support and the importance of investing in our children's education. By coming together to support these students, we are helping to build a foundation for their success and empowering them to achieve their dreams. This distribution of school supplies is just one of the many ways CFCM Ministry is dedicated to making a meaningful difference in the lives of our community members. We extend our deepest gratitude to our volunteers and donors who made this possible, and we look forward to continuing our efforts to support education and development in our community.

## Immediate Assistance with Rice Distribution

In response to the devastation caused by Typhoon Carina, which brought severe floods to the Province of Bulacan and many parts of Luzon, CFCM Ministry acted swiftly to provide immediate assistance. We distributed rice and other essential supplies to those who were greatly affected by the floods. Our thoughts and prayers are with all the families impacted by this natural disaster, and we remain dedicated to offering continued support and aid in these challenging times.

For further updates and ways to contribute, please stay tuned to our official communication channels.
